CODE OF CONDUCT

John F. Kennedy Adult Education Centre has established a set of school standards which we expect all our students to adhere to. By following these guidelines students will be contributing to a positive school environment and to their own success.

Students are expected to agree to adhere to the Centre regulations, to work diligently and to behave in a manner that shows respect to the Centre community.

*****ZERO TOLERANCE FOR DRUGS, ALCOHOL,
WEAPONS, VERBAL ABUSE, PHYSICAL ABUSE,
CYBER-BULLYING, CHEATING AND PLAGIARIZING.**

Our Centre has expectations to maintain a respectful and cooperative environment. The following rules and regulations are to be adhered to:

- Smoking anywhere on premises is prohibited. This includes cigarettes, vaping and cannabis. Government Smoking Officials randomly and anonymously patrol schools (as well as other establishments) and will fine the students (or anyone else) personally for an infraction.
- JFKAEC shares a building with the high school. Given this situation, JFKAEC students must remain on the Adult Education side of the building. Exceptionally, with administration approval, students will be able to use designated areas on the high school side. **If an adult student violates this rule, they may be asked to leave the Centre.**
- Students are expected to come to school always dressed in respectful attire.
- To prevent interruption of valuable class time and using devices to “help” on any kind of assessments, they may not be used in the classroom unless they are specifically needed for a classroom learning activity as guided by the teacher. Students may use their cell phones or other electronic devices on breaks or during teacher-led instruction that requires the use of an electronic device. No cell phones are to be visible during testing of any kind or during classroom instruction time, including lab time. Cell phones need to be on silent or vibration-only mode and stored in pockets, purses, completely out of site, etc. during class time. We understand that sometimes students need to make or receive calls or texts. This should be done during scheduled breaks whenever possible.

CARE OF SCHOOL PROPERTY

It is the responsibility of each student to help maintain the school building. No food or drinks are permitted in the classroom.

STUDENT ATTENDANCE

ATTENDANCE

- Students are expected to attend their classes regularly.
- Students are expected to arrive at all classes on time. This includes classes after the morning break and lunch.
- Chronically late and/or absent students will be dealt with accordingly by the administration.
- Students are expected to remain in class for the full duration of the period.

ABSENCES

Regular attendance in school has a significant impact on student success. Five (5) consecutive absences will automatically result in a deletion from your course(s). In the case of a justified absence a reinstatement is at the discretion of the Administration.

STUDENT RESPONSIBILITIES WHEN ABSENT

It is the responsibility of all students when absent for two or more consecutive days to inform their teacher(s) as to the reason for the absence.

**FAILURE TO RESPECT THE AFOREMENTIONED
GUIDELINES MAY RESULT IN DISCIPLINARY
MEASURES.**

TESTING AND EXAM POLICY

PLACEMENT TESTS

Any student who does not have an official Ministry transcript of marks is required to write a placement test in Mathematics, English, and French.

EXAMS

Students must arrive on time for the exam. A late arrival 30 minutes or later will result in the student not being permitted to write the exam.

Students are not permitted to leave the exam room. If a student leaves the exam room they must hand in their exam and will not be permitted to continue.

A justified absence is one that can be supported by written documentation from a doctor, dentist, lawyer, welfare counsellor or funeral director. The note must include the name and phone number of the student, time of the appointment and reason for absence.

If a student misses any part of an exam, their absence will be recorded, and the student will not be able to continue to complete any other parts of the exam. They will have to re-write the entire exam (upon administration's approval) in such a scenario. If a student misses any part of an exam with a legitimate reason (see above), then they will be eligible to write the remaining part of the exam (upon administration's approval).

Once an exam is presented to a student, it is considered an official exam and must be completed.

Students who hand in blank answer sheets will be given a zero (0) for that exam.

NO CELL PHONES or any other electronic device are permitted on student desks when writing an exam. Only what is required to write the exam is permitted on the desk. All other personal items must be left at the front of the classroom.

ALL STUDENTS MUST FAMILIARIZE THEMSELVES WITH THE DETAILED EXAM PROCEDURE THAT IS FOUND ON THE JFKAEC'S WEBSITE UNDER THE 'STUDENT' TAB.

REWRITES

- Students who miss an exam will be marked ABSENT.
- Students will only be allowed a rewrite, regardless of which module, at the end of the semester after the final exam is completed.
- Students must obtain a minimum of 50% to be eligible for a rewrite.
- The final mark will be the highest result.

PLAGIARISM

Plagiarism consists of (but is not necessarily limited to):

- Using unauthorized notes or other aids in a test or exam, or copying from or being influenced by another student's work during an evaluation or assessment.
- Giving unauthorized aid to another student; allowing another student to copy or use one's test, exam, paper, or homework.
- Using translating software or translations of texts studied in class without the permission of the teacher.
- Misuse of technology, including, but not limited to, cell phones, calculators and laptops.

Plagiarism or any other form of academic dishonesty, results in a zero grade for that assignment. Plagiarism or any attempt to cheat during class tests, quizzes, or exams will also result in the student receiving a zero grade for that assessment.

**IN ORDER TO OBTAIN THE CREDITS ALLOCATED
TO A PARTICULAR COURSE STUDENTS MUST:**

- Complete all required objectives and obtain a passing grade of 60%.
- Attend classes regularly. Students who are absent for more than 20% may not be permitted to write an exam.
