

## WHY SEQUOIA?

Our innovative program within the adult education system makes learning less intimidating by breaking down subjects into shorter modules.

Final exams that cram a year's worth of learning into one test can be overwhelming, and it can be challenging to plan and stay organized throughout the school year.

We offer focused modular evaluations and develop effective study habits and strategies. Our cohort is taught by the same two teachers for the entire academic year.

## INFORMATION SESSION

You are invited to an information session and open house at **John F. Kennedy Adult Education Centre**.

**WEDNESDAY, APRIL 30<sup>th</sup>**

**Information Session: 6:30 - 7:30 pm**  
**Early Bird Registration: 7:30 pm**

Come visit our facilities and obtain detailed information on our innovative program.
