

VOLUNTEER TO HELP FELLOW STUDENTS ACHIEVE THEIR EDUCATIONAL GOALS

OVERVIEW

The goal of the program is to provide students with positive role models to whom they feel responsible in order to encourage them to stay in school Mentors are to serve as examples of perseverance and determination, as well as provide emotional support and guidance. We also aim to foster a sense of community and belonging, countering the feelings of isolation and alienation that are all too common in today's youth

ROLE OF THE MENTOR

As a mentor in the peer mentorship program, **you will be responsible for meeting regularly with your mentee, answering their questions, providing support and guidance, and just hanging out You will help your mentee set goals, and navigate the adult education system.** Your role will also include active listening, giving feedback, and promoting a positive and inclusive learning environment Your commitment and support will have a lasting impact on your mentee's success!

TRAINING

Training will focus on

- Effective Communication Skills
- Mentoring Techniques and Best Practices
- Maintaining Confidentiality and Ethical Behavior
